REACH COMPLIANCE CERTIFICATE

COMPANY: STEELINVEST s.r.o

Acting on behalf of "Steelinvest" Ltd, Pražská 2, 040 11 Košice, Slovakia, we hereby confirm that:

The following substances imported within alloys have been duly registered under the REACH regulation [EC] No 1907/2006, by Steelinvest s.r.o:

Substance	EINECS	Tonnage band	Registration Number	Registration date
Aluminium	231-072-3	> 1000 T/year	01-2119529243-45-0115	10.11.2010
Copper	231-159-6	> 1000 T/year	01-2119480154-42-0082	26.11.2010
Iron	231-096-4	> 1000 T/year	01-2119462838-24-0235	26.11.2010
Silicon	231-130-8	> 1000 T/year	01-2119480401-47-0088	29.11.2010
Zinc	231-175-3	> 1000 T/year	01-2119467174-37-0054	29.11.2010

According to REACH rules, all EU Downstream Users of Steelinvest s.r.o products for the tonnage covered by the registrations mentioned above are exempt from further registration of the respective tonnage.

The obligations of Steelinvest s.r.o related to CLP notification of these substances are covered by their registration.

The above mentioned registrations do not release EU Downstream Users from their own obligations under REACH.
